

## Summer 2021 Issue

### Denver Hosts Successful In-Person Conference

From June 10-11, more than 70 attendees from credit unions nationwide participated at NACUSAC's 2021 Annual Conference & Expo in Denver and dozens more accessed the Virtual Conference portal. Eight sessions covered a range of topics including an economic forecast, preparing for the post-pandemic environment and cannabis banking.

### Missed the Live Conference? Access On-Demand Sessions

Participate at your own pace with on-demand video presentations that can be accessed at your convenience from anywhere. A virtual conference portal will allow you to connect with other conference attendees, speakers and Resource

Center exhibitors.

## NACUSAC University credits available!

(Sessions are pre-recorded and not eligible for CPEs)

## Three Members Complete NACUSAC University!

Photo: Class of 2021 grads Mike Kucera, Eglin FCU (left); Michael Pollog, Air Force FCU (center); and John Zatarski, Vantage West CU (right).

On June 11, three supervisory committee members were recognized during NACUSAC's 2021 Annual Conference & Expo for their dedication to furthering their supervisory skills and knowledge. All three members completed NACUSAC University, a three-year program consisting of coursework relating to their role. NACUSAC Chairman Mike Buecher presented the graduates with diplomas and commended their commitment to continuing education.

## Two Associate Members Join NACUSAC

As a top 25 accounting firm in the United States, CRI is a leading provider of risk-based, cost effective audit services to the credit union industry. Our financial institution professionals provide value added opinion audit, internal audit, Bank Secrecy Act, regulatory compliance, and IT audit services to credit unions of all sizes. CRI also offers CECL consultation and implementation services to credit unions via our CECL Dashboard.

 The logo for RED BOARD, consisting of the words "RED" and "BOARD" stacked vertically in white, bold, sans-serif capital letters, centered within a solid red square background.

## Expand Your Credit Union's Audit Bandwidth

Redboard is a web-based software platform designed specifically for credit union audit teams. The benefits:

1. Cut Administrative Time in Half -- Automate internal and outsourced audit processes. Spend less time on administrative work, and more time on ensuring 100% audit coverage.
2. Resolve Findings On Time -- Leverage our structured findings workflow. Resolve 85% of findings on time and as expected.
3. Consistent Reporting -- Easy to utilize reports designed specifically for Supervisory Committees. Always know what the status of a finding is.
