Hawaii Conference Draws Credit Unions from Across the Country

Honolulu, Hawaii provided the perfect backdrop for NACUSAC's 2023 Annual Conference & Expo. From June 21-24, 120 supervisory committee members, board directors and audit executives from credit unions nationwide participated in sessions on a variety of topics including economic insights amid bank failures, BSA and cannabis banking considerations, how to avoid the top five accounting and auditing missteps, fair lending compliance and more.

On Saturday, the program wrapped with the always popular "Ask the Auditors Panel" and an inspiring session titled, "Put Your Dreams to Work" featuring local Honolulu resident and author, Anabel Chotzen. In addition to taking away a wealth of information from the

educational sessions, each attendee was given a kukui nut to remind them that with passion, purpose and perseverance their dreams will come true.
